KX-T7703 / KX-T7705

Caller ID Compatible for Smooth Communication

When an outside call is being received, the phone number is displayed. This enables you to check who is calling before picking up the handset. Caller information for the last 30 callers is also logged in the caller list.

Speakerphone for Hands-Free Conversation (KX-T7705 only)

You can use the speakerphone for hands-free conversations. Since you don't need to pick up the handset, this enables you to do other work while having a conversation.

30 Call Logs Retained

The retention of 30 call logs makes it convenient to redial or check the call history.

Redial the Latest 5 Numbers

The latest 5 numbers in the call log can be redialed.
